Dear Parents and Caregivers

Welcome to week 3. Being sent home today with the newsletter are a number of forms that parents need to sign and return to school as soon as possible. Over the next few weeks, I have a number of professional development commitments that I have to attend, these sessions deal with inclusive education and leadership. In my absence Bob Baldwin will be taking my place. Mr Baldwin has worked at the school on a number of occasions and the students in my classroom are looking forward to the change.

Last night we had a productive meeting to discuss the sponsors and some preliminary planning for the Trivia Night which is on the 29th March. We will need help from all the families to make sandwiches and desserts for the tables. There will be more information in the newsletters as this major fundraising event draws closer. Please mark this date on your calendar and try and get together a table of supporters.

Also, a reminder to all families to please fill in and return the P&C Membership Forms as well as the Committee Nominations. The P&C will be making some important decisions around uniforms and the use of funds. In order to have your say and vote you need to be a member of the P&C.

During this term, students in my classroom will be looking at their Leadership Skills and the qualities needed to take on leadership roles. This week our focus will be on accepting differences, we will then move on to how to deal more effectively with differences of opinion. This is to prepare our Year 6 and 7 students for their School Leader Roles. It will also give the Year 5 students a valuable insight into the expectations we have of those students.

We are in urgent need of volunteers to assist with tuckshop. We have lots of parents able to help with desserts but there are times when we need help with the preparation. Please send in your forms if you have not already done so. A list of helpers will be finalised as soon as we have more forms.

A safety reminder about jewellery at school, bracelets, chains and hoop earrings are not permitted. Earrings need to be studs. Thank you for your support in this.

Have a great week.

Laura Watson
Principal
