Dear Parents/Caregivers,

There are only three weeks left to go in the term and we are busy finalising units and completing assessment tasks. Both classes are involved in a technology unit where they have to design either a replica of a belt from a novel they are reading (Years 4-7) or a house for a teddy bear or doll (P-3). The P-3 class would like your help with boxes, ranging in size from small biscuit boxes to tissue boxes, cereal boxes and rolls from paper towels etc. We don’t need massive boxes as they will need to be a size that can be handled and decorated easily. We will start the construction stage at the end of next week, so we have a bit of time to get everything in.

We will be having some work done at the school over the next few weeks. Please take extra care in and around the car park area as the P & C storage shed is being removed and a new one built. The P-3 room will be having an external paint and there will also be carpeting going into the main block as well as other smaller projects. Where possible barriers will be in place however please ensure you supervise your children and younger siblings when dropping them off or picking them up. Safety is very important and we don’t want any accidents.

We are having some issues with the water pressure to the toilet block however this is being dealt with and I am happy to report that the bore is in excellent condition and there are no major issues. Assessments have been made and we are working with Q-Build to have the situation resolved.

A reminder that pie drive orders are due and we appreciate your support. Our P & C does a fantastic job and is very supportive of the school. With the money that has been donated this year we have purchased a software program that should arrive by the end of term as well as some great reading books. We want to look after these valuable resources and would like to have them covered so if you are able to spare a few hours please come in and give us a hand!

Many thanks.

Laura Watson
Principal

Tannymorel Sports Carnival
Tannymorel Sports Event is on Friday 26th July at the Warwick Christian College.

Thank you from Mrs Mitchell
I would like to thank the staff and students of Freestone State School for their gifts and best wishes on my retirement from Education Queensland. The staff have been very friendly and helpful and I have enjoyed seeing the students grow and progress in their journey through school. I have enjoyed my time at Freestone.

I wish everyone all the best for the future and much happiness.
Mrs Bev Mitchell
