Dear Parents/Caregivers,

We are almost at the end of the second week and preparation for our ball games and relays are progressing well. We should have enough students to make two junior, two intermediate and two senior teams, which is great. Please make a big effort to be there on our sports days as every student is participating in events and we need them for teams on the day. It is a long day but one that we all enjoy.

I apologise for the lack of information concerning the Tannymorel Sports which is being held at Warwick Christian College next Friday. I have not had any clarifying information however as soon as we get the details we will confirm. On that day, parents usually transport their children to and from the venue. If you are unable to stay for the day please let us know so we can ensure your child/children are monitored and get to their events and have a buddy. Teaching staff have allocated jobs on the day and are not always able to supervise students from their school. The day usually starts around 8:30am and finishes around 3:30pm. There is usually food available and the menu is included in the program which will be available on the day.

We are finalising nominations for our Warwick Country District Sport’s at Hamilton Oval on Friday 2nd August, which is the following Friday and students in Ms Allen’s room will have details for the 800m and the high jump held at Wheavale next week. Forms will be sent home today for expressions of interest for Discus.

In our classrooms we have been very busy. Mrs Mahon is doing a wonderful job with her unit of work that focuses on the different states and territories of Australia and the students are enjoying learning about their country and the icons that are unique to the different areas. Over the next few weeks spelling lists for both classes will have some Australian capital cities, states and territories as these are not well known.

Work is still continuing in the school grounds and it is expected the fencing and gates will take a little longer to complete. We have had lots of positive feedback about how good the school is looking and we will keep you updated with the progress and what still has to be done. We are currently looking at work required for the installation of a water tank for the undercover area. No details have been finalised at this stage.

Have a great week, hope to see you at the Car Boot Sale at Freestone Hall on Sunday.

Laura Watson
Principal
Proposed Tuckshop Roster:-

Please note that the above tuckshop roster is yet to be confirmed.

Tuckshop Volunteers Needed

As you can see above, the tuckshop roster has quite a few blank spaces in it. Helpers are urgently needed. If you can spare a Friday to help, bake or send in a snack, please send back the tuckshop help note or call the school on 46661569.
