From the Principal’s Desk

Dear Parents and Caregivers,

Last night we had a lovely dinner with the P&C. The company was great even though some of our meals missed the mark. A special thank you to Jenny Ramsey for all her hard work over the years. I would also like to thank the male members of our P&C who work quietly behind the scenes, fixing pot holes, fertilizing grounds and helping out where ever they are needed. The P&C can be very proud of all their fundraising efforts that go towards making our school so great.

Janine is doing well, she is back home in the loving care of her husband Bob. He has been told to wait on her hand and foot over the next few days so she makes a speedy recovery. We are hopping Janine will be back in time for presentation night and school camp. If anything changes we will let you know.

I apologise, due to time restrictions I have not been able to send out a request for helpers for the P&C catering evening on Sunday 29 November. We need people to prepare sandwiches and help on the evening. If you are unable to help well would like to ask each family to make a donation of ten dollars to help cover the costs of sandwich fillers.

Kind Regards

Laura Watson Principal

PS—Please note that Monday 25 January is now a student free day, your child/ren will not start the 2016 school year until Wednesday 27 January.

**BPOINT**  
You may have noticed on your invoices / statements that there is a new box at the bottom called BPOINT. This is a new, safe and convenient way to pay any accounts to your child's school. Simply type in the web address in the BPOINT square on your invoice and follow the Commonwealth Banks prompts. Remember to use the correct CRN # as this connects the payment to your child. The correct invoice number will connect your payment to the correct invoice on our system. You can even set up periodic payments.

**Freestone P&C Dinner**  
The members of our P&C celebrated the end of a very successful year last night with dinner at the Warwick Hotel.
