From the Principal's Desk

Dear Families,

We are at the half-way mark for the term and we will be very busy over the next few weeks with end of semester assessments and reporting.

If you would like to have a meeting and check in with the staff prior to the end of term, please pop a note in the diary, or send me a text message and we will make a plan.

This Friday will be very busy with Tannymorel Sports. This is a sporting event run by volunteers, and Freestone School is hosting it this year. Emily, Quintina and Alex have been working hard to ensure that everything is organised for a fun day. We would like all our families to help out by providing some home bake to sell in the canteen, and assisting on the day. This fun day is used as a practice session for our Warwick Country Sports Day, which is held in June.

Please remember to return the Meat Voucher Raffle tickets if you haven't already done so.

Our major fundraiser for the year, Trivia Night, is fast approaching. The hall is fully booked and we are looking forward to a great evening. Once again we are asking families to spare a few hours to help prepare and serve food. Don't forget, we will need lots of home bake as there will be over 150 people at the hall. Any raffle booklets will need to be returned as soon as possible.

Under 8's Day is at Wheatvale State School. At this stage, Mrs Millen will be taking her class. The group will travel by bus, to and from this event, and the cost will be covered by the school. It is only for a couple of hours and they should all be back at school by 12:45pm. A permission note will be sent home next week.

Looking forward to catching up with you on Friday.

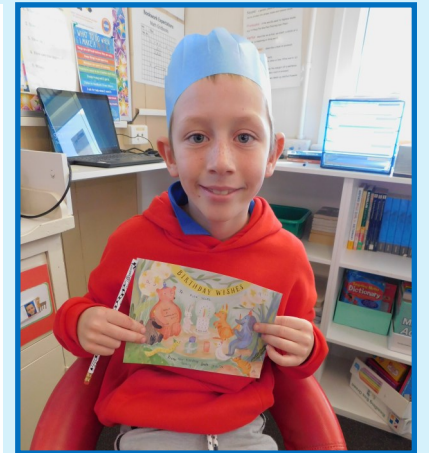

Kind Regards,

Laura Watson
